ABOUT ME

Full Stack Developer with emphasis on Javascript (ES6), MongoDB, Express, React, NodeJS, HTML & CSS

WORK EXPERIENCE

Web developer

Ferri e Luz RadioDifusão Ltda. [30/11/2017 – Current]

City: Paraí

Country: Brazil

I am responsible for the development and maintenance of STL audio link systems through IP, dedicated VPS server for remote audio transmissions and website hosting and creation of routines and audio backup solutions.

Web application developer

RS Eco Soluções Ltda. [05/03/2016 – 29/11/2016]

City: Porto Alegre

Country: Brazil

I worked advising in the development and maintenance of the system for electronic invoices.

Project manager

Huawei Technologies. [31/05/2010 – 30/06/2015]

City: Porto Alegre

Country: Brazil

I deployed 20 thousand DSLAM ports and deployed a DWDM network with 126 pieces of equipment for a cell phone operator, achieving consistent results forming a specific team focused only on the sensitive parts of the project.

The experience in managing own and outsourced teams, contracting services, developing administrative and technical solutions ensured a good result in KPIs

that measure our efficiency.

I acted directly as an interface between Huawei and the client, through direct contacts and weekly alignment meetings focused on the progress of the project in the three states of the southern region of Brazil.
